

The Interwise Web Participant enables Participants to connect to live, interactive Events using only their Web browser.

NOTE

To listen and speak in an Event, you must dial-in with your telephone. Upon joining the Event the *Dial-in Instructions* window is displayed – follow the onscreen instructions.

Toolbar
Provides quick access to: emoticons (as shown) and other options

Status Panel
Displays who is currently speaking

Participant List
Displays the list of Participants in the Event

Notes Tab
Lets you chat with other Participants

Whiteboard
View materials loaded by the Moderator/Presenter

Getting Started
This is the initial page shown when you join an Event

Split Bar
Lets you resize the Whiteboard

The interface includes a top menu bar with 'View', 'Event', and 'Help'. A toolbar contains icons for 'Raise Hand', 'Raise Hand' (with a dropdown of emoticons), 'Dial-In', and 'Mute'. A 'Speaker' panel shows 'Liam Pearson'. The main content area is divided into sections: 'GETTING STARTED' with introductory text, 'DIAL-IN INSTRUCTIONS' with a link to the dial-in page, 'MUTE' with instructions to mute oneself, 'EXPRESS YOUR EMOTIONS' with a link to the Raise Hand icon's emoticon menu, and 'ENLARGE WHITEBOARD' with instructions to view the whiteboard in full screen. A 'Participants' list on the right shows names and status: Bob Johnson (Present), Sarah Brown, Li Wu, David Smith, and Liam Pearson. Below the list is a 'Notes' tab with a 'To:' dropdown and a 'Send' button. The footer displays 'Event ID: 867662 | AT&T Connect'.
